

BLICKLE RAUM

UPDATE 4

Flora N. Galowitz Roman Pfeffer

Opening:

Thursday, 16.11.2023, 19h

17.11.–26.11.2023

In UPDATE 4, Otto Wagner is a parameter of the artistic intervention by Flora N. Galowitz and Roman Pfeffer. The objects, which seem to occupy the Blickle Raum in all its dimensions, reflect Wagner's architecture and interior design. The resulting breaks and seams open up the historical reference system. Thematic tangents of the artistic works emerge in this process.

Roman Pfeffer transfers the natural dimension of the facade into the space and translates it into a sculptural form. Inscribed in it is a new structure, a space within a space. Flora N. Galowitz approaches Wagner's designs from unexpected directions in her work "Mint Green Disposition". Her installation reaches for the vertical, layers spatial volumes and positions them in a sensually tangible way in the Blickle Raum.

UPDATE 2023

Over the past decade, the Blickle Raum on Spiegelgasse has been a white box, a projection surface, a temporary studio, a stage, a negotiation space or a place of discourse for more than 20 artists. Above all, however, a space of possibilities and artistic work.

In 2023, in the UPDATE series, we will look back at the artistic positions of the first 10 years and invite new collaborative projects in the form of duets. UPDATE started with Manuel Gorkiewicz and Marie-France Goerens, followed by Sööt/Zeyringer and Aldo Giannotti as well as Heidrun Holzfeind and Nina Rike Springer; Flora N. Galowitz and Roman Pfeffer conclude the exhibition series.
